Security Insurance (Damage waiver) *The damage waiver is mandatory in case a local skipper is hired. The non refundable part is reduced as per table below*

Selection of damage waiver reduces your liability to the reduced Security Deposit in the event of damages to the boat and/or the loss of the dinghy and/or its outboard engine, or damage caused by a third party during charter. Minimum charge: 7 nights. If Damage Waiver is not added to your charter before you travel, you'll be required to pay a higher security deposit at base upon arrival. Not available for regattas, races, special offers, short-term charters, and we reserve the right and jurisdiction to refuse it in any charter.

The payment of either the Refundable Security Deposit, or the Damage Waiver, is designed to cover only one incident of a substantial nature at any one time: After a damage happens in order to cover the risk of a 2nd incident of damage, within the same charter, the charterer shall replenish the security deposit to its initial amount. In case of loss or damage to equipment of significant value such as outboard engine or dinghy, the charterer will have the right to an immediate replacement whilst on charter, provided that the charterer pays a new Refundable Security Deposit immediately upon receipt of replacement or repair.
